Why I Like Teaching at Shrine

Shrine has been a gift to me spiritually and professionally. The Shrine community is faith filled; it has been wonderful sharing and growing in this faith with so many families. The parental support in their student's education and the support afforded to the teaching staff is wonderful; because of this, students at Shrine Catholic Grade School are presented with a solid education. The professionalism and experience of my cohorts helps me grow as a person and educator and continually presents opportunities for new learning experiences.
