Physical Education 6-12
Certified Personal Trainer from National Personal Training Institute

Teaching Experience

Shrine Catholic Grade School, Physical Education, 1996-Present

Why I Like Teaching at Shrine

I was impressed with the structure and academic excellence coupled with the strong Catholic faith. I found this so inspiring that I sent my two children to Shrine. I feel this combination gives a child a solid foundation with which to go out into the world and be able to handle the various problems that may come their way. My children are adults now and I have seen many times how this has helped them in the various areas of their lives.
