## **Personal Statement**

I have loved teaching religion at Shrine for many years and I am excited to be teaching Spanish I & II this year. I enjoy sharing my love of language learning with my students and watching them learn to communicate in new ways. I feel fortunate to be in a school community that supports each other in so many ways, both inside and outside the classroom. Outside of Spanish class, I love having the opportunity to grow in faith with the Shrine students through working with the Kairos retreat program.
