Personal Statement

I was the first of three Pruse siblings to attend Shrine High School and it gave me a strong foundation for the future. As a student, I took full advantage of the offerings at Shrine by participating in Quiz Bowl, NHS and Tech Crew. I also played on a Catholic League championship football team and graduated with honors.

I currently teach Economics, Government, and World History. Economics and World History are both my favorite classes to teach. I use technology and a variety of critical thinking strategies in my classes to help students grow in moral character and intellect.
