Shrine Catholic High School Parking Pass Rules and Regulations

- In order to provide a safe parking lot for our students, parents, staff, and community we require students who drive a motor vehicle to school to prominently display a parking pass provided by Shrine Catholic High School in their rearview mirror.
- Students and parents understand the responsibility of having a license including driving to school safely. They will follow all State of Michigan driving laws and provide the necessary documentation if needed.
- The Principal or Assistant Principal is authorized to impose appropriate student discipline up to and including expulsion for conduct in a vehicle on or off campus deemed detrimental to the school and/or school community.
- Students and parents understand Shrine Catholic Schools and Basilica are not responsible for stolen items, vandalism to vehicles, or any property damage to a student's vehicle, but every attempt will be made by Shrine Catholic High School to provide support and justice for said damages.
- A student may receive a detention for not complying with parking pass policies and/or not displaying their parking pass in the rearview mirror.
- If a student changes vehicles periodically over the course of the year, the parking pass must be transferred from vehicle to vehicle. If a student drives a second vehicle periodically over the course of the year, the student is responsible for updating their Parking Pass documentation.
- Students and parents understand students **may not** park in handicapped, "S" spots, (marked for faculty or staff) or the circle drive unless an agreement is made with Administrators.
- Students must complete a Parking Pass Application and return it to the HS office, and sign this policy agreement in order to receive a parking pass.

I have read and understand the Shrine Catholic High School Parking Pass Rules and Regulations policy and procedures. I certify that I am subject to any penalty set forth by failing to satisfy the requirements and/or expectations of this policy.
