Due to the rigorous nature of our curriculum and our parish mission of educating all students, we believe that statistical class rank would represent an inaccurate assessment of a student's abilities and potential for collegiate success. TRANSCRIPTS

Official Shrine transcripts include only courses taken and grade point averages earned during a student's enrollment at Shrine. Transfer students to Shrine, including international students, will have supplementary transcripts and grade point averages from their previous high school(s).

SERVICE

In keeping with the example of our patroness, Saint Therèsè, our students participate in annual service projects as a part of their graduation requirements. A minimum of ten hours per year is required, although most students far surpass this threshold. Further, students are encouraged to participate in annual retreat programs.

EXTRACURRICULAR PARTICIPATION

Shrine offers unparalleled opportunities for student involvement including varsity sports, strong student council, vibrant performing arts groups (including an all-female and all-male singing ensembles and student talent show), class activities, service club sponsored events, homecoming and spirit week activities, art competitions, fall drama and spring musical productions. Students may also live their faith daily by serving as Eucharistic ministers, or through the music ministry group which provides instrumental and vocal music for Masses. A sampling of additional clubs include: National Honors Society (3.5 GPA required for invitation), Gamers Club, Quiz Bowl, S.U.N. (hospitality group for international students) and Knights of the Roundtable (a student/faculty board).
