### **Shrine Schools and Parish Host 2<sup>nd</sup> Annual Sporting Clays Classic**

(ROYAL OAK) Shrine Schools and Parish are hosting its 2<sup>nd</sup> Annual Sporting Clays Classic on Thursday, October 6<sup>th</sup> at the Michigan Shooting Center in Lake Orion with registration opening at 11:30 am.

Event organizer, Mike Maceroni explains, "We started the event last year because there are a lot of members of our church and school community who are avid hunters or had enjoyed hunting. We also found hunting and shooting clays is very generational and provides an opportunity for families to participate together."

The first event, hosted in 2015 had 54 attendees and this year looks to be just as successful. Whether attendees are experts or novices, it blends competition with fellowship, food and prizes for all.

Says Maceroni, "We've found these parish members want to help and support the schools, Church and our community. This event is so unique; they also bring friends outside of the Shrine parish to participate."

The funds generated will provide multi-faceted results for both the School & Church — keeping tuition prices reasonable by providing financial assistance, continuing the ongoing maintenance of our facilities and grounds and supporting the fiscal strength of our Catholic community.

Location:  
Michigan Shooting Center  
2500 Kern Lake Road  
Lake Orion, MI 48360

### **About Shrine Catholic Schools and National Shrine of the Little Flower Basilica**

Shrine Catholic Schools are parish schools of the National Shrine of the Little Flower Basilica in Royal Oak, Michigan. Founded in 1934, the schools provide a co-educational Christ-centered learning environment for Pre-K through 12th grade, with a focus on excellence in college preparatory education as well as extracurricular activities and many after-school programs and clubs. The National Shrine of the Little Flower, named a minor Basilica in 2015 by Pope Francis, was founded in 1926 and serves a parish of approximately 4,200 families in and throughout the Metro-Detroit area.
