Shrine Catholic High School & Academy, Math and Science Teacher since 2008

Bishop Foley Catholic High School, Math & Science Teacher, 2006 to 2008

Notre Dame Catholic High School, Science Teacher, 2003 to 2006

## **Extracurricular Activities**

9<sup>th</sup> Grade Boys Basketball Coach

## **Personal Statement**

I truly enjoy teaching and rank it much higher than my previous job of twenty years as a Mechanical Engineer. There is so much satisfaction that is associated with this job because of the opportunity to shape and influence young, curious minds. I especially like the added challenge of teaching AP Calculus and AP Physics.

The STEM classes that we offer here are from the Project Lead the Way organization and I can share my experiences in engineering with students who have interest in this career path.
