

SHRINE CATHOLIC Schools

Faith • Family • Future

Dear Shrine Catholic School Family,

First I would like to thank you for your warm welcome as I began my first month transitioning into my role as your Head of Schools. I have truly enjoyed meeting with faculty, administration, staff and parish leadership and learning more about the day to day operations of our schools. This summer has certainly been busy with several building projects underway and near completion. Our new high school athletic field is about ready for our Shrine Knights and new redesigned classrooms have received some finishing touches to welcome the inaugural class of 6th graders attending the academy this fall.

Not to leave the grade school out, I am pleased to welcome Mr. Scott Wisniewski '98 as our next Shrine Catholic Grade School Principal and Ms. Erika Zwolinski as Assistant Principal. Both candidates were selected from a pool of qualified applicants with the assistance from the Shrine Grade School Leadership Team.

With a professional teaching background spanning over twelve years, Mr. Wisniewski joins Shrine from All Saints Catholic School in Canton, MI where he recently served as Assistant Principal and Athletic Director since 2018. Mr. Wisniewski holds an M.A. in Educational Leadership from Madonna University, an M.A. in Special Education from Western Michigan University, and a B.A. in Secondary Education from Western Michigan University.

Ms. Zwolinski has served the Shrine community for the past four years as a teacher and is currently completing a Master of Education degree with a concentration in Early Childhood and STEM in Early Learning and a Master of Education degree in Education Leadership and Administration. Ms. Zwolinski holds a B.S. in Elementary Education with a concentration in Integrated Science.

I have every confidence that Scott and Erica, as well as our high school and academy principals are leaders who are equipped with the right knowledge and oversight to continue our mission to instill Catholic values and academic excellence in a Christ-centered environment. Now with our leadership team complete I have every confidence that we will forge ahead with a strong future for our schools.

In the coming months I look forward to sharing some of my goals and vision for Shrine Catholic Schools. Please enjoy the rest of your summer and know that our schools are in strong hands with God's blessing always.

God Bless.
